Culture Capsule

IFLA
2014
LYON

Goal – to produce a PowerPoint/Prezzi presentation on both countries, called Culture Capsule

Method – to use library resources to identify, collect, discuss and share information

Who? – 2 teams of students, conducted by teachers and librarians

Where? – partner public libraries, using resources including internet

Objectives

During the team work, the student have to

- to define culture
- to share the relevant data about their culture with the partner
- to reflect on the differences and similarities between the two countries

IFLA
2014
LYON

Process

Step 1 - Brainstorming

Questioning about cultural heritage and its role for partners

Step 2 – Collecting information

Choice of 10 cultural aspect from different fields – geography, statistics, history, language, famous people, proverbs, landscape, recipes

Presentations

Step 3 – Making presentations

workshops – searching and collecting information

Presentations – sharing data – geography, climate, flags of two countries, cities and landscapes, products, famous people, greeting and proverbs, recipes
