uniform and he came down out of the sky and spoke pleasantly to me." She smiled.

"Out of the sky; what nonsense!"

"He came in a metal thing that glittered in the sun," she remembered. She dosed her eyes to shape it again. "I dreamed there was the sky and something sparkled like a coin thrown into the air, and suddenly it grew large and fell down softly to land, a long silver craft, round and alien. And a door opened in the side of the silver object and this tall man stepped out." "If you worked harder you wouldn't have these silly dreams." "I rather enjoyed it," she replied, lying back. "I never suspected myself of such an imagination. Black hair, blue eyes, and white skin! What a strange man, and
