

Subject Analysis and Access

Action Plan 2016-2017

Our Action Plan outlines the key objectives for our Section in the upcoming year.

A report on these activities will be made available in the 2016-2017 Annual Report, available following the 2017 IFLA World Congress.

If you have questions about our work, suggestions about what you would like us to work on, or you would like to help us, please contact one of the members of the [Standing Committee](#).

Objective 1

Develop standards and guidelines that support subject access

Project/Activity:

Survey national libraries worldwide about their genre/form practices

Objective 2

Expand each library's vision of the potential for providing improved subject access by providing an evidence base

Project/Activity:

Obtain an overview of current practices and new developments

Obtain an overview of current research in the area of subject access

Objective 3

Liaise with national libraries and professional organizations to promote the new developments that support subject analysis and access

Project/Activity:

Monitor the output of professional organizations, including the projects presented at the section's 2016 satellite meeting

Continue collaboration with the Bibliography and Cataloguing Sections to support communication and cooperation by producing the [IFLA Metadata Newsletter](#)

Collaborate with the Law Section on a shared Open Programme for the 2017 WLIC
